Judge Pettit

DEDICATION

DEAN EMERITUS COLLEGE

Claude W. Pettit was born in Lancaster, Ohio, April 11, 1891. In 1911, he received his A.B. degree from Ohio State University. The following two years he taught Latin in his hometown, Logan, Ohio. In 1916, Claude Pettit became a graduate of the Western Reserve University Law School with the L.L.B. degree. The following two years were spent in the service of the United States Army in France. While waiting to be returned to the states, Attorney Pettit attended Trinity College in Dublin, Ireland. He became professor at the Ohio Northern University Law School in 1925 and in 1932 was named Dean of the Law College. Also in that year, Dean Pettit received the L.L.M. degree from the George Washington University Law School in Washington, D. C.

Dean Pettit was elected Probate and Juvenile Judge of Hardin County in 1954. He took over his duties on February 9, 1955, and is still in office at the present time. In 1955, too, this beloved teacher was presented the title of Dean Emeritus of the Ohio Northern University Law School. This year is his first year of complete retirement from teaching and his time is devoted entirely to the judgeship.

In 1932, Claude Pettit became Dean of the College of Law.

CLAUDE PETTIT OF LAW

Dean Pettit and law faculty in the process of making out the class schedule.

The night they gave him a television set...

In 1953, a group of devoted law students held a dinner at the Lutheran Church in Ada to honor their dean. During the course of the evening they presented him with a television set in appreciation of a man who was more than just a teacher to them.

Under the leadership of a great dean, the Ohio Northern University Law School, has achieved the fame of being one of the best Law Schools in Ohio, and the nation. Therefore, we, the Class of 1957, feel it a great privilege and honor to dedicate this, the forty-seventh edition of the NORTHERN, to Claude W. Pettit, Dean Emeritus of the College of Law. His retirement last July as acting Dean marked the end of an outstanding career of producing men well-qualified in their profession.

His students considered him a wonderful teacher and counselor. Outside the classroom, his understanding personality gained the confidence of all who knew him and made a meaningful influence on their lives. During the war years Dean Pettit kept the Law School going at great personal sacrifice by also taking on a job with the government as Director of price administration for the Lima district.

To this man we owe so much. So much we can never repay him in words. And so we dedicate this book in appreciation of one man who has made lives richer and has truly furthered knowledge in the name of Ohio Northern University.

Dr. McIntosh and Dean Emeritus Pettit at the presentation of the portrait of the Dean to the Law College.

PRESIDENT'S MESSAGE

As never before in the recent history of Ohio Northern University, we have moved as a team toward the steady improvement of this university. The student body and particularly the seniors have played no small part in the rather spectacular development of the institution.

Student body, faculty, Board of Trustees, alumni, industry, the Church, friends, all have joined together in an unusual manner to make success a reality.

I want to, here and now, express my sincere appreciation to all who have contributed to a truly great year, and especially to the graduating class of 1957. As you carry your diplomas from the campus, may you retain that same vital interest in O.N.U. that you have evidenced while a student here. Make yourself a loyal alumnus as you were a loyal member of the student body. God bless you all.

The door on the left leads to the president's office. If you go through it, you will find a man who devotes not only his time and energy but his life to Ohio Northern University. Because of his efforts endowments are ever increasing, the student body is growing, and plans for future improvements are in the making. A tribute goes out from the student body to this great leader.

C. E. Wintringham, A.B., S.T.B.
Vice-President, Director of Public Relations

As Vice President, Rev. Wintringham serves on the administrative committee and acts for the president when called upon to do so. As director of public relations, he supervises all news releases and publicity to the press and radio, the printing of all catalogs, and bulletins issued by the University. He assists in all the relationships between the University and the general public. He also serves as Director of Campus Religious Activities and is chairman of the Religious Council. He is likewise responsible for a close working relationship between the University and the Methodist Churches.

Kenneth F. Martin, B.S., A.M.
Treasurer and Business Manager

Mr. Martin's duties include the University budget, purchasing for every department of the school, and responsibility for the maintenance department.

Hildred B. Jones, A.B., A.M., Ph.D.
Dean of the University

Dean Jones oversees the administrative program, coordinates the curriculum and program of the various colleges, and conducts an orientation program for all new members of the faculty.

ADMINISTRATION

General S. G. Conley
Vice President, Director of Development

As alumni secretary, Mr. Schertzer is responsible to both the University administration and the National Alumni Association of Ohio Northern University. The duties of the office are in three major areas; the editing of all alumni publications, the executive officer of the Alumni Loyalty Fund program and the liaison person between the Alumni groups and the University.

James Andrew Woofert, A.B., A.M., Ph.D.
Registrar

George Schertzer
Alumni Secretary

The duties of Dr. James A. Woofert, Registrar, are to keep permanent records of all academic matters, to examine the qualifications of students proposed for admission to the University, to direct the program of the registering of students in classes, and to recommend the credentials of all candidates for graduation.

The concern of the Assistant Dean of Students is the welfare of the girls on the campus. A new project under the leadership of the Association of Women Students is the initiation of greater participation of women in their government. The success of this office depends upon the part each girl plays.

Mrs. Elma Grant Davis, A.B., A.M.
Assistant Dean of Students

THE DEANS OF STUDENTS

The Dean of Students office handles all details of student personnel. The Dean is also a member of the Administrative committee, where individual concerns are given immediate consideration. The personal counselling given to students from both the Dean and the Ass't Dean means a great deal to the students.

Grover B. Wickenden, B.A., B.D.
Dean of Students

LIBERAL ARTS

FIFTEEN DEPARTMENTS CONSTITUTE COLLEGE OF LIBERAL ARTS

A well-rounded Liberal Arts education is offered through the fifteen departments of the College. These departments become better equipped each year so that Liberal Arts students may not only gain an education in the fields of their choice, but also to better equip them to become good citizens.

Oscar G. Darlington, A.B., A.M., Ph.D.
Dean, College of Liberal Arts

These individual booths are equipped with separate head sets by which tape recordings from the main control room or from the individual booths themselves can aid in the foreign language and speech courses.

Hazel M. Younkman, B.S. (Ohio Northern), A.M. (Ohio State).

ART

The art department is under the direction of Mrs. Hazel Younkman, who holds classes in the Art Annex. Students in the education department take courses in art to enable them to teach art in their classrooms. Liberal Arts students are able to gain an insight into art appreciation through the art department.

BIOLOGY

The biology department is located on the second floor of Hill Building. Andrew Stauffer is the chairman of the department with the able assistance of Paul Moody, Jr., Roy Snyder, Robert Bowden, and Richard F. Pannabecker. Courses are offered in biology, anatomy, physiology and botany as well as advanced courses. Besides serving the students of the Liberal Arts College, members of the pharmacy school also are able to use the biology facilities.

Seated: Robert Bowden, A.B. (Haverford), B.S. (Ohio Northern), A.M. (University of Michigan); Mrs. Judy Runkle Fisher, Laboratory assistant; Andrew Stauffer, B.S. (Ohio Northern), B.S.A., M.S. (Ohio State); Richard F. Pannabecker, B.S. (Roosevelt College). *Standing:* Paul E. Moody, Jr., B.S. (Austin Peabody), M.A. (George Peabody); Ray E. Snyder, B.S., M.S. (West Virginia).

BUSINESS AND ECONOMICS

The Business Administration and Economics departments are located in Brown Building. Mrs. Harriet Ritz and Oscar Cooley instruct the economics courses. Mrs. Ritz also handles the secretarial section.

Harriet Smith Ritz, B.S., M.S. (Indiana), Oscar W. Cooley, A.B. (Middlebury), M.S. (Butler).

Leonard L. Luzenski, B.S. (Penn State), Graduate School (Penn State), (Georgetown University); Myron Seigal, Student assistant; Edgar B. Bloom, A.B. (Hiram), M.S., Ph.D. (Ohio State).

CHEMISTRY

The Chemistry department is a part of the college of liberal arts, although it is located in the pharmacy building and serves many students. Because chemistry is becoming a great factor in our everyday life, and there is an increasing need for chemists, chemistry majors are becoming more numerous on this campus. The Chemistry department consists of Dr. Bloom and Dr. Luzenski.

EDUCATION

Since a very large number of the students of the Liberal Arts college are preparing for the teaching profession, the education department is a very important one. Mr. C. C. Roberson, Dr. Katie Lou Hanson, Dr. Walter Zaugg, and Mr. Victor Morrone make up the education faculty. The education students study both the methods and principles of education and spend one quarter practice teaching to gain actual experience in the field.

Katie Lou Hanson, A.B., A.M., (South Carolina), Ed.D. (Columbia); Walter A. Zaugg, A.B. (Valparaiso University), A.M. (Columbia), Ph.D. (New York); Clinton C. Roberson, B.S. (Oakland City College), A.M. (Ohio State); Victor E. Morrone, B.S., M.Ed. (Pittsburgh).

ENGLISH, SPEECH and THEATRE

There were six instructors in the English department this year. They were: Miss Frances Bennett, Miss Mabel Crawford, George Barber, Robert Price, Paul Pegis and Allen Higgins. These instructors provided three quarters of required English Composition for the freshmen, and enriched the education of many other students with courses in literature and advanced grammar.

Speech and Theatre Arts, although within the Department of English, are constantly broadening their scope throughout the whole university. Under the able supervision of Doyle Smith, the Northern Players have provided the campus with first class entertainment. The other member of the department, J. Buckminster Ranney, offers valuable speech training to students of the university.

Paul C. Pegis, A.B. (Marquette University); Francis Harriet Bennett, B.S. Ed., A.M., (Ohio State); Robert P. Price, A.B. (Southwestern), A.M. (Columbia); Mabel Crawford, Ph.B. (Dennison), M.A. (Columbia); Allen W. Higgins, B.S. Ed. (Bemidji State), M.A. (Minnesota); Doyle Smith, B.A. (Bowling Green), (Drake University), M.F.A. in Play Production (Texas); George S. Barber, A.B. (Penn State), A.M. (Penn State), Ph.D. (Penn State).

FOREIGN LANGUAGE

The language department provides instruction in German, Spanish, French, Italian, and Russian. Dr. Matthias Schmitz, Melvin Myers, and Mary Ellen Hoffman comprise the language faculty. Schoonover Laboratory facilitates pronunciation and appreciation through the tape recording mechanism.

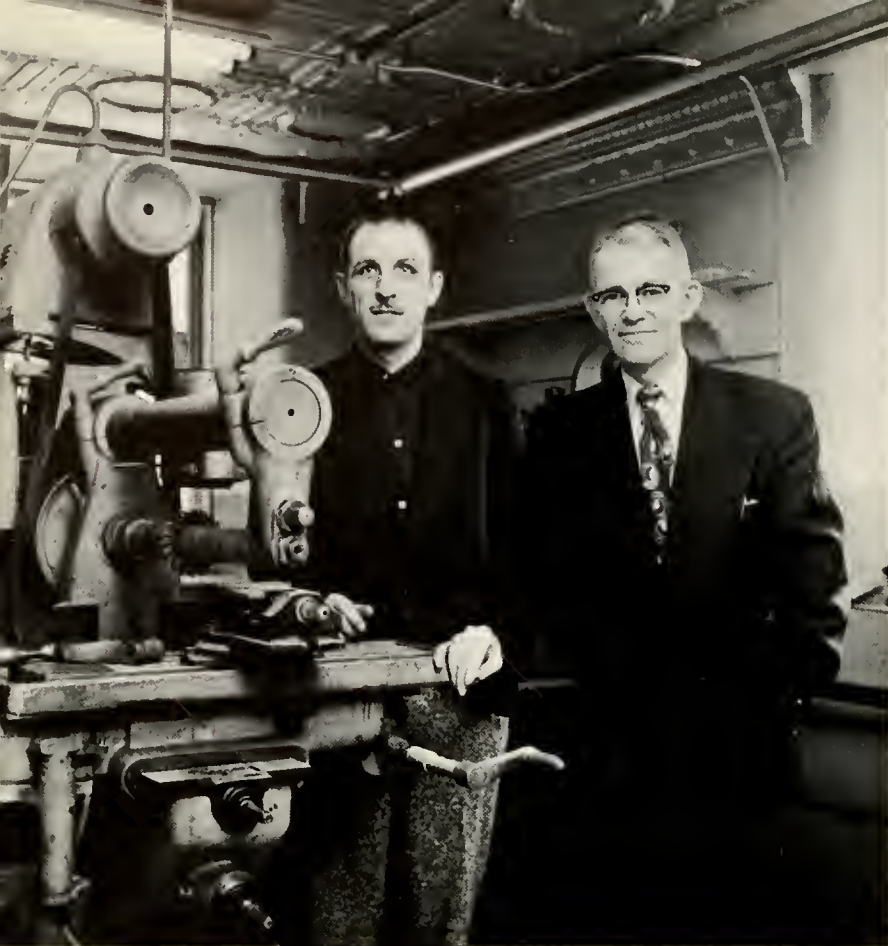

Matthais Schmitz, A.B. (Cologne), A.M., Ph.D. (Harvard); Mary Ellen Hoffman, B.S. (Kent State), M.A. (Kent State); Melvin Keith Myers, B.A. (Chicago), M.A., Ph.D. (Illinois).

HISTORY and POLITICAL SCIENCE

History and political science students are instructed by Dr. Wilfred Binkley, Dr. Robert Hilliard, Dr. Anthony Milnar, Edgar Gray, and Boyd Sobers. Under their able guidance students can study growth of society, the history of various countries, government problems, and recent American History. Since our world is growing more and more concerned with the past and future of other nations, a good background in history and political science is essential for citizenship.

Oscar G. Darlington, A.B. (Penn State), A.M. (Penn State), Ph.D. (Pennsylvania); Robert H. Hilliard, A.B., B.S. Ed., A.M., Ph.D. (Ohio State); Anthony L. Milnar, A.B. (Upsala), M.S. (Indiana), Ph.D. (Georgetown); Wilfred E. Binkley, B.S. (Ohio Northern), A.B. (Antioch), A.M., Ph.D. (Ohio State); Boyd M. Sobers, B.A. (Ohio Northern), M.A. (Western Reserve); Edgar L. Gray, B.S. in Ed. (Wilmington), M.A., Ph.D. (Ohio State).

INDUSTRIAL ARTS

The Department of Industrial Arts offers courses for all students in the university and especially for those interested in becoming teachers in industrial subjects in public schools. The workshops and classroom are in the basement of Brown Building. Here Richard Kain and Roger Chaney instruct students in the skills and use of machines which are necessary to Industrial Arts training.

Richard D. Kain, B.A. (Ohio Northern); Roger Lewis Chaney, B.S. (Ohio State).

MATHEMATICS

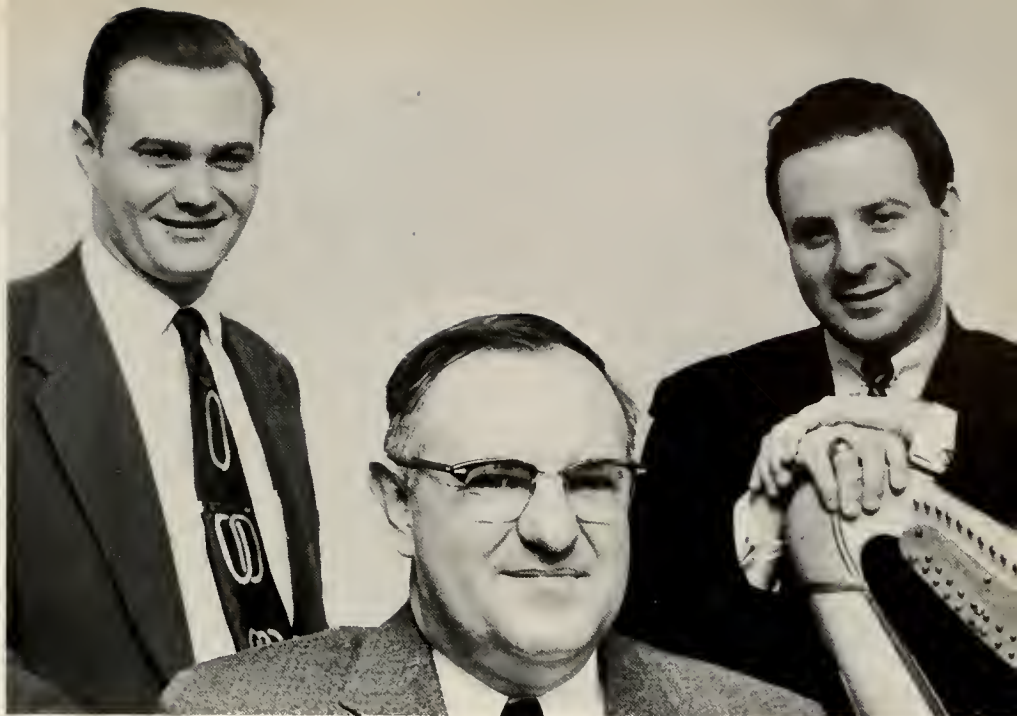

It is necessary for a future pharmacist, engineer, chemist, and future mathematics teacher to be well prepared in mathematics as well as those who are working for a higher degree. These students are instructed by Mrs. Clarice Stauffer, Harry Langman and Robert Schlea.

Seated: Clarice Stauffer, B.S.Ed. (Ohio State), M.A. (Ohio State); Harry Langman, B.S. (New York City College), Ph.D. (Columbia). *Standing:* Jim Parks, student assistant; William Brinkmeyer, student assistant; Robert E. Schlea, B.S.Ed., A.M. (Bowling Green).

MUSIC

The music department of Ohio Northern University contributes a great deal to the life of the campus. The students of the various colleges contribute their talents to the choir and the band, and the rest of the university obtains much enjoyment from their efforts. The music faculty is composed of Dr. Karl Roider, Anthony Salatino and Frank Jackson. With the exception of choir and band rehearsals, music classes for majors and non-majors are held in Presser Hall.

Frank A. Jackson, B.S., M.A. (Ohio State); Karl A. Roider, B.Mus. (Eastman School of Music), M.Mus. (Rochester), Ph.D. (Columbia); Anthony J. Salatino, B.S. (Eastman School of Music), (New York State), M.A. (Columbia).

Ernest Abele, M.Math.Sc. (University of Latvia); A.A. Benedict, A.B. (Ohio Wesleyan), A.M. (Ohio State).

PHYSICS

Mr. Ernest Abele and Mr. A. A. Benedict direct the work necessary to all engineering and pharmacy students in the field of physics, as well as serving many liberal arts people. The classrooms and laboratories on the first floor of Hill Building are complete with equipment in the mechanics of light, heat, sound, and electronics.

PHILOSOPHY AND RELIGION

Every student at Ohio Northern is required to study religion or philosophy, in order to round out his education. Since these subjects are basic to life, it is natural that they should be basic courses. This department also is a preparatory training center for pre-theological students. Ivan C. Hodges and Dr. Carroll Champ-
lin are the members of the philosophy and religion department.

Ivan C. Hodges, A.B. (Taylor), S.T.B. (Boston), A.M. (Earlham); Carroll D. Champ-
lin, A.B., A.M. (Haverford), Ph.D. (Pittsburgh).

PSYCHOLOGY AND SOCIOLOGY

Psychologists and sociologists are playing an expanding role in our society. Every new discovery in the field of the mind makes us more conscious of the complexity of our emotions and their importance in creating a criminal or a saint. Dr. David Markle and Dr. Charles Coxe are the men in charge of this interesting department here at Ohio Northern. Students are given an opportunity to adopt psychology or sociology as their major field, or to become acquainted with them as side-
lines.

David H. Markle, A.B. (Ohio Wesleyan), B.D., A.M., Ph.D. (Yale); Charles Coxe,
Ph.B., A.M., Ed.M., Ed.D. (Penn State).

Student assistants Carol Cordner and Gayle Inskeep.

The women students on Ohio Northern's campus have been provided with a physical education program offering soccer, volleyball, trampoline, basketball, table tennis, archery, and tennis—a total of eight different sports.

The department also provided, under the sponsorship of the Women's Athletic Association, intercollegiate teams in basketball, and softball.

PHYSICAL EDUCATION

The physical education department is important to every student at Ohio Northern because six quarters work in that field is a graduation requirement. This department also has charge of the varsity sports events which play such an important part in our college activities. In addition, an excellent intramural provides exercise and competition for those not engaged in varsity sports. Clyde Lamb, Marv English and John Nettleton are the instructors.

Marvin English, B.S. (Ohio Northern) A.M. (Columbia); Clyde A. Lamb, B.S. (Coe), A.M. (Columbia); John D. Nettleton, A.B., M.A., (Colorado State).

LAW

The College of Law of Ohio Northern University counts among its graduates many successful lawyers and lawmakers of Ohio and the nation. It presents well prepared candidates for the bar examination with better than average records.

The college offers a three year course leading to a Bachelor of Laws degree, and though its students for the most part represent other colleges in preliminary arts education the pre-legal program of the college of liberal arts is closely correlated with that of the law school.

Eugene N. Hanson, A.B. (Luther), A.M., LL.B. (Wisconsin), LL.M. (Michigan).

In its seventy-two years of existence, the Ohio Northern University College of Law has graduated some 2500 successful barristers. These have gone on to the law practice, but many of them have also entered politics and government and achieved distinction in their chosen fields.

Although the glory of the College of Law has been great in the past, it can only be assured continued success by preparing capable and well qualified graduates for the future. The law graduates hold the responsibility to provide the distinguished senators, governors and lawyers of the future.

LAW LIBRARY IS MEMORIAL TO JAY P. TAGGART

The Law Library draws much of its support from a permanent endowment established in memory of the late Jay P. Taggart, one time Dean of the College and long time trustee of Ohio Northern.

The Law Library is up-to-date, modern, and well selected. It contains the reports of the courts of last resort of the States, the United States Supreme Court Reports, and Federal Reports, the

Reporter System, a complete set of English reports, the more important series of special reports and selected cases, a collection of the latest editions of standard text books, leading legal periodicals, digests, the leading encyclopedias of law, and other works of reference. The Library is accessible each week day, the students being allowed free access to the books.

The material included in the Library complies with law library requirements of the American Bar Association.

In the highly mechanized world of today, the engineer stands as a symbol of development in the field of construction. To the electrical, civil, and mechanical engineers we owe many of the conveniences and necessities of our daily lives. They are also the men behind the scenes who improve the lives of Americans and do a great part in insuring world peace.

During the seventy and more years of its existence the College of Engineering of Ohio Northern University has had more than twenty-four hundred graduates. Always has the student been in small classes where individual attention can be received. Today this policy is continued. The interest of the student comes first in the engineering education.

PHARMACY

The College of Pharmacy began in 1885, when the catalog for the year of 1885-86 announced that the demand for the study of pharmacy that the faculty establish this as a distinct course. Thus one can see the College of Pharmacy is now completing its 72nd year. Many an outstanding alumnus of this college has distinguished this health profession in this state and in the nation.

COLLEGE OF

Pharmacy, one of the health sciences, is a difficult, exciting and exacting program, but in the last few years many young women have graduated from the college and joined the health profession.

Many of the "new" or "miracle" drugs are the results of knowledge gained in the colleges of pharmacy. Today drugs not only alleviate symptoms of disease or after-effects but are known to have curative properties. Students in our classrooms not only learn about these drugs but are taught to observe the nature and action of each so that they too will know about future drugs

Eighteen Seniors Elected To Who's Who

Each year a group of outstanding students are selected to represent Ohio Northern in the annual volume "Who's Who Among Students in American Colleges and Universities." Nominations are made through the combined efforts of the administration and the Student Council on the basis of scholarship, participation in extra-curricular activities, leadership on the college campus and promise of future usefulness. This year each college of the University is represented with three Engineering students, three Law students, six Pharmacy and six Liberal Arts.

President Jim Leyda in conference with Bette Jeanne Weintz, treasurer; Greg Peck, vice president; and Lillian Hung, secretary.

Graduating Seniors Number 160

One hundred and sixty students are going into their chosen fields in June. This year the senior class is upholding three purposes: service to the university, service to the underclassmen and co-operation among its members. The first all Campus Junior-Senior Prom was held featuring top notch entertainment. The class hopes that other classes and organizations will follow suit in bringing more well-known entertainers to the campus for all major events.

The project of the class is to help Ohio Northern University grow. It is hoped that the seniors in the years to come will share the same experiences of co-operation and good fellowship that have been a part of the class of "57."

ACTIVITIES

FRESHMAN WEEK

After their arrival and initial adjustment to college life, the Freshmen joined in wholeheartedly with the happenings of the week. The days were filled with lectures, meetings, and tests, but the nights brought a round of parties and dances. On Sunday night a get-together was held in the Student Center. Monday night was an all-campus square dance which was a huge success with students and faculty alike participating. Tuesday night the Freshmen attended a Theatre party given by the Ada Theatre. Wednesday a record dance was given at the Student Center for all new students. Wesley Fellowship was the host for the Freshmen on Thursday. Friday evening the Freshmen entertained by providing an outstanding talent show on stage in Lehr auditorium. Freshman Week was climaxed by the all-campus mixer Saturday night.

Faculty members form their own set at the Freshman Week square dance.

FRESHMAN WOMEN HONORED AT DINNER

Sigma Phi Epsilon Fraternity held its annual dinner for Freshman women following Freshman Week. The Freshman women seemed to thoroughly enjoy the dinner and the group singing and dancing that ensued.

REGISTRATION

Freshmen registration began at 8 A.M. Friday, September 21. By the end of the day, 412 new students had scheduled classes. Freshman Week was drawing to a close and these students were fast becoming a part of Ohio Northern University.

HOMECOMING

1956

QUEEN

Theta Phi Delta Serenades the fraternity houses during campaigning.

Anne Larocco, Theta Phi Delta candidate, received the title of homecoming queen for 1956 by election of the student body. Anne, a senior in the College of Pharmacy, hails from Campbell, Ohio, and is vice president of Theta Phi Delta.

The crowd on the front walk of Lehr anxiously awaits the announcement of the Homecoming Queen.

Two Freshmen almost make it!

Sophomores and Freshmen tangle!

Homecoming 1956 began with the traditional Freshman—Sophomore battle at the flag pole. The greased pole and the zealous Sophomores stopped the Freshmen from reaching the flag and so beanies and Freshmen rules had to be kept until Thanksgiving.

Freshmen girls cheer as their men make a last gallant try for the flag.

The pep rally and bonfire started at eight o'clock with an all-Greek march from the College Inn to the Bonfire at the rear of Taft Gymnasium. The cheerleaders and football team led the student body in yells for the Homecoming Game. The rally ended with a snake dance through the streets of Ada.

Main Street in front of the main campus was once again the scene of the traditional pushmobile races. The large homecoming crowd watched Theta Phi Delta cross the finish line one wheel ahead of Phi Chi. Alpha Sigma Phi pulled ahead of Theta Kappa Phi to win in the fraternity division.

In the foreground, a car is parked. To the right, a stack of beer cans is visible, with labels that include 'EAGLE' and 'WINGED'.

The winning display for the 1956 Homecoming house decorations was won by Phi Mu Delta with their slogan "Bears Can Eagles." After the judging of the house decorations at 11 o'clock, the chorus-choir held a program for the alumni on the Lehr stage.

Halftime festivities—the crowning of Queen Anne Larocco.

At the half the O.N.U. Marching Band performed, Anne Larocco was officially crowned Queen of the festivities, and the trophies were presented to the winners of the pushmobile races and of the house decorations. Homecoming 1956 drew to a close with the traditional dance at Taft Gymnasium.

"Carol Cabaret" Introduces The

The annual Choral Cabaret was presented this year for the ninth time by the Ohio Northern University Choir under the direction of Dr. Karl A. Roider. The Cabaret was held on December 7 with the theme "Carol Cabaret."

The festivities began with dancing featuring the music of the Northmen. At intermission the choir presented their entertainment for the evening. The program opened with the choir singing songs in regard to the twelve days of Christmas, with Dr. Roider singing the solos as the members filed into the spotlight. After the entire choir had assembled the following songs were sung: "Fanfare for Christmas" and "Joyous Christmas Song." Followed by the girls trio (Mary Jo Basinger, Marilyn Young and Sue Rager) singing "Christmas Island." Lois Lacy played the

The entrance to the "Carol Cabaret" was glittering pearly gates. Carol Opdycke and Dale Hall, both members of the choir, paused for a moment before entering.

The Northmen and leader Tony Salatino played for the evening of dancing before and after the intermission program by the choir.

Nancy Towne designed the back-drop for the "Cabaret." A lot of hard work on the part of the entire choir went into this one evening of enjoyment for the audience.

"Frosty, the snowman" delighted children and grown-ups alike.

musical bells in the next rendition "Carol of the Bells." A novelty number, "Frosty and Suzie," featured Sandra Disher and Tom Tallman, on roller skates, as "Suzie" and "Frosty." Gene Willeke played the kettle drums during the next selection "Carol of the Drums." A piano duet "Heigh-Le Heigh-Lo" was beautifully performed by Charlotte Gossett Phillips and Dale Hall. "In the Stillness of the Night" featured soprano Mary Jo Basinger as soloist. "Calypso Carol" a modern Christmas selection followed.

The grand finale, "Twas the Night before Christmas," with some varied and different sound effects through the whole number completed the outstanding program.

The proceeds of the Choral Cabaret are used to finance the annual spring choir tour.

"Suzie Snowflake"

The eighty voice choir sang the finale "Twas the Night Before Christmas" complete with sounds and actions.

Left: Dancing was to Earl Beach and his orchestra. *Below:* Ron Williams, President of I.F.C., presents the cup to Barbara Hellwarth, sweetheart of Theta Kappa Phi, the band's choice to reign as Queen of the Ball.

Interfraternity Ball

Refreshments were provided by the Greek men in the small gym. Here intermission finds couples resting, talking, and eating. —

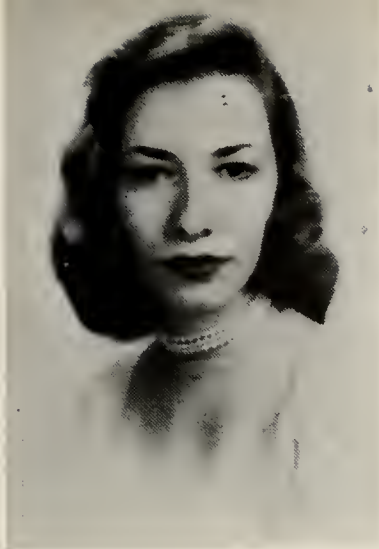

The interfraternity council, every year, sponsors the I.F.C. Ball. This year for the first time a big name band did not play, mainly because the council decided to hold the dance on a weekend instead of during the week as it has been previously and to save money so that a big name band can be procured for a weekend next year.

A local band, Karl Beach, from Lima, furnished the music. At intermission the sweethearts and their dates were presented to the band and the choice was made. The audience waited breathlessly until Ron Williams, I.F.C. President announced the Queen of the Ball as Barbara Hellwarth, Theta Kappa Phi Sweetheart.

ENGINEERING ACHIEVEMENTS HIGH-

Throughout the nation during the week of February 17-23, the achievements of Engineers were brought to the attention of the public. It was fitting that Engineers Week was held the week of George Washington's birthday, for he was not only the father of our country, but a notable civil and military engineer.

At Ohio Northern University the week was packed with activities for all the engineers. The program was:

Wednesday, February 20, 2:30 in Lehr Auditorium the ASCE speaker was Linton Hart, Detroit District manager of the Raymond Concrete Pile Company. Mr. Hart spoke and showed moving pictures of the construction of a radar station which was built out in the Atlantic Ocean.

Wednesday, February 20, at 3:30 p.m. in Lehr Auditorium the ASME speaker, Professor Richard H. Zimmerman for OSU spoke to the mechanical engineers on the problems in the design of supersonic turbojet engines.

Thursday, February 21 at 11:00 a.m. in Lehr Auditorium Mrs. Helen Peteet presented an

This year Ohio Northern University observed Engineers' Week for the 56th consecutive time, a record in which the Engineering College takes deep pride.

electronic cooking demonstration. Mrs. Peteet is presently employed as the home economics director for the Ohio Power Co. in Kenton. This program was an assembly for all students.

Thursday, February 21 at 2:30 p.m. in Lehr Auditorium the AIEE speaker Mr. Douglas W. Quirk, who is employed as manager of production and planning at the Hotpoint Company in Chicago, presented "Technical Aspects of the Electronic Oven."

Friday, February 22 all engineering students took field trips. Each department was under the direction of its advisor. The electrical engineers visited the Fort Wayne Motor Laboratories of the General Electric Co. in Fort Wayne, Indiana. The mechanical engineers visited the Ford Motor Co. in Detroit, Michigan. The civil engineers visited the North American Aviation in Columbus, Ohio.

Saturday, February 23 climaxed Engineers' Week. At 7:00 p.m. in the Clemens Building, Lima, the engineers dined on a delicious steak dinner. Following the dinner Professor Anthony Salatino and the Northmen provided the music for the Engineers Ball.

The speakers' table: Mr. and Mrs. James Parks, Dr. Smull, and Dean and Mrs. Archer.

Engineers and dates enjoy the banquet: Mr. and Mrs. Charles Skemp, Mr. and Mrs. Robert Briggs, Larry Clark and fiancée, and Tom Kennedy.

GREEK SING

Theta Phi Delta sorority winners led by Stella Patsiavos.

In May, the fraternities and sororities competed for the traditional Greek Sing trophies. This year's Greek Sing was sponsored by the Inter-Fraternity Council with President Ron Williams as chairman of the competition. For the first time in many years there was one hundred per cent participation as all three sororities and eight fraternities entered. The sorority trophy was won by Theta Phi Delta singing the required number, "Prayer from Hansel and Gretel," and their own selection, "Halls of Ivy." Phi Mu Delta copped the fraternity cup with the required number "Yesterdays," and their selection, "Wayfaring Stranger."

Pictured in the center is President McIntosh welcoming the Hungarian refugee student, John Neubauer, who arrived in Ada Sunday, February 17, to enroll in engineering at Ohio Northern in the spring quarter.

University personnel on hand to welcome John were (left to right) Prof. Ernest Abele, advisor to the international students, Prof. Vincent Immel, faculty advisor to the Theta Kappa Phi fraternity, and Dean Lawrence Archer of the engineering college. On the right of John in the picture are Robert Huffman of Dayton, president of the host fraternity, and Father Schweitzer, spiritual advisor for the student while he is in Ada.

HUNGARIAN STUDENT ARRIVES ON CAMPUS IN FEBRUARY

John Neubauer, the Hungarian student refugee applicant selected by Ohio Northern University and Theta Kappa Phi fraternity for a joint university-fraternity scholarship, arrived in Ada February 17. He enrolled in the College of Engineering in the spring quarter.

As a contribution to the relief of the fleeing Hungarian refugees, ONU and the fraternity made it financially possible for John to receive an education. The University provides full tuition and general fee, and the fraternity supplies room and board and necessary work, during the four years of John's schooling.

Neubauer is 23 years old, single, and started his first year in electrical engineering at the University of Budapest last September. When the revolution broke in October, John, along with the other students, was involved in the up-rising and had to flee the country. He crossed the Hungarian border on November 8 and arrived in America on January 16.

His English is quite good, which is extremely fortunate since only about five per cent of the student refugees speak any English. He is to be commended for learning English since it was a forbidden language for the last 10 years under the Communist regime. All of the student refugees spent six weeks in intensive language training and orientation course at Bard College in New York before being sent on to the colleges throughout the states.

Arrangements to bring John to the campus were made jointly by the fraternity, A. Miorin past-president and Robert Huffman recently-elected president, Dean Hildred B. Jones, and Edward J. Kirchner, director of development for the national fraternity. Kirchner interviewed about 100 Hungarian students in order to select the one to best fit into the offerings of Ohio Northern.

MAY DAY 1956 QUEEN

Peg's daughter helps her prepare for the parade.

Peg Grimm, the Independent candidate from Lima, Ohio, was elected 1956 May Day Queen by the student body. Among her many campus activities, she was a member of the Student Council her Junior and Senior years, and was elected to Who's Who in American Colleges and Universities. She received her Bachelor of Science in Education and is presently teaching in Puerto Rico.

Queen Peg Grimm and King Glenn Smith cut the tape as the official beginning of the 1956 May Day Parade.

The May Day Parade was a great success this year, mainly because of the favorable weather. Sunny skies prevailed as Lowell Lutz, president of the Student Council, crowned the royal couple which officially started the parade. The Ohio Northern Marching Band was on hand to lead the way up Main Street, around Dukes and on to the athletic field where the results of the float contest were announced.

STUDENT COUNCIL GOVERNS UNDERGRADUATES

The Student Council is the governing body of Ohio Northern University. The Council meets every Tuesday evening in Brown building, and the meetings are open to everyone.

The members of the Student Council are elected at the end of Winter Quarter and take office at the beginning of Spring Quarter. Four representatives are elected from the colleges of Law, Pharmacy, Liberal Arts, and Engineering, and four representatives-at-large are elected.

The Council, working through the social deans, attempts to alleviate any problems that arise between the students and the administration. On the social side, Council plans and supervises the festivities of Homecoming and May Day.

POLICY BOARD SETS UP BUDGET FOR STUDENT ACTIVITY FUND ALLOCATIONS

The Policy Board is a board established for the purpose of determining what are to be considered student activities and what allocations shall be set aside from the Student Activity Fund in support of these student activities. The Policy Board is set up jointly by the Student Council and faculty of the university, each body having equal representation on the board. The representatives of the Student Council are elected by the Student Council; those of the faculty by the faculty. The president of the university is the chairman of the Policy Board.

Recommendations for the allocation of money from the Student Activity Fund may arise in the Student Council or in the faculty or from any group considered a student organization. These recommendations are carried to the Policy Board for consideration and possible allocation.

Activities supported by the Student Activity Fund this past year include: Student Council programs, intramurals, and the publication of the Annual and the Northern Review.

FUTURE BUSINESS LEADERS OF AMERICA

The Future Business Leaders of America is a national organization for all students enrolled in the department of Economics and Business Administration. The purposes are: 1. further understanding of business through field trips, speakers from businesses, films, and discussion groups. 2. to promote better understanding and cooperation among the members through social hours and the two annual parties—one at Christmas and the other honoring the seniors before Commencement. 3. to promote leadership abilities of the members by encouraging their participation in other school activities—band, choir, other clubs, sororities, and fraternities.

It is felt that through these actual experiences the purposes of the club are more fully accomplished.

The club has had as their guests at different meetings business and professional groups of Ada, students in Business at near-by colleges and business students of high schools in our vicinity.

OHIO NORTHERN BUSINESSWOMEN

This year the girls in Business organized The Business Women's Club. The purpose of the club is to meet to discuss job opportunities for Women in Business, to engage speakers who are representative of various phases of business. It is hoped that the group may bring a chapter of Phi Gamma Nu Sorority (a National Professional Sorority in Commerce) to the Campus of Ohio Northern University before the year is ended.

YOUNG DEMOCRATS

In April the Young Democrats Club of Ohio Northern participated in the Convention of the state league of Y.D. Clubs. With many new members in the period immediately prior to the election the club carried on a program of polling Orange Township, raising funds for the National and Statewide campaigns. The group sponsored an assembly speech by Robert Corry Candidate for Congress and some members acted as election officials. These programs were successful and point out objectives of future club activities.

YOUNG REPUBLICANS

In a campus poll conducted by the Student Council in October, Eisenhower and Nixon won by an overwhelming majority. Republican candidate for State Representative, Robert Taft, presented his party's views on national and international problems at the Young Republican sponsored assembly in October. Following the talk, Republican and Democratic students alike fired questions at Mr. Taft which he answered in terms of the Republican Party.

Students are becoming more nationally minded and student members of both parties are very active on campus.

The Campus Wives Club, originated about twenty years ago as the Couples Club, has evolved into a unique group on campus. Composed of more than sixty wives of students enrolled at Ohio Northern, the organization's prime purposes are to provide a means of meeting people, to make new friends for students' families transplanted from their homes, and to help the students and the University whenever possible.

Each year the Club gives a gift to the University and this year's most important fund-raising activity was an Easter fashion show and card party. Besides the regular monthly meetings, the members annually enjoy three special events: the Christmas party, the dinner party in April for their husbands and themselves, and the family picnic in May. Growing each year, the Campus Wives Club hopes to make increasing contributions to the lives of the students.

BANQUET IS HIGHLIGHT OF AMERICAN PHARMACEUTICAL ASSOCIATION'S YEAR

The A. Ph. A's main event of the 1956 year was it's 2nd annual banquet. The affair was attended by over 200 persons. Each year at the A. Ph. A. banquet, there are one or more honored guests. This year the honored guests were Secretary of the Ohio State Board of Pharmacy, M. N. Ford, and featured speaker Dr. Schaefer, of the Brooklyn College of Pharmacy.

The O.N.U. branch of the American Pharmaceutical Association is an organization open to all pharmacy and pre-pharmacy students. It's objectives are to boost pharmacy and to channel members into the parent organization upon graduation.

During the year the A. Ph. A. holds meetings which are open to all students and members of the faculty. The program at these meetings are planned with the idea of throwing some light on the various aspects of pharmacy. This is done through the medium of speakers, movies, and panel discussions.

PHI DELTA CHI

March 2, 1955, was the date of the chartering of the Alpha Upsilon Chapter of Phi Delta Chi on the campus of O. N. U. At the time of chartering, the group numbered 22 members with the aim of offering Fraternal spirit to those who did not have time or money to join a social group and to offer a professional society to those already in a social fraternity.

After two years, membership now totals 60. The fraternity has been working hand in hand with the College of Pharmacy, by securing a typewriter for one of the labs, painting and repairing a lab, presenting the College a group of History of Pharmacy pictures and setting up a showcase to house professional displays.

To top off the year, Phi Delta Chi tied for third place in a national window decorating contest

ALPHA ZETA OMEGA

The children's ward of the Lima Memorial hospital was filled with Christmas joy as Theta Alpha Chapter of Alpha Zeta Omega Pharmaceutical Fraternity treated the children to a Christmas party. Every year the members devote their time to this worthwhile project.

The winter quarter professional meeting was co-sponsored by Theta Alpha and Owen's-Illinois. All professional meetings held throughout the year are open to faculty and students of the University.

National Alpha Zeta Omega was founded at Philadelphia College of Pharmacy on December 19, 1919 and today consists of 26 Chapters, Theta Alpha being the youngest. Alpha Zeta Omega was recognized on Ohio Northern's campus in the late months of 1954. This year Theta Alpha Chapter has grown in membership with 16 actives and four pledges.

The Junior Bar Association of Ohio Northern University was organized on campus in 1933 and has been an active member of the American Law Students Association since 1953.

Activities sponsored by the Junior Bar this year included an apprenticeship program for law students and a lecture series by prominent members of the legal profession. Also, steps have been taken toward the regular publication of a Law School Review. Plans were made for a visit to the State Capital in order that the members of the Junior Bar might meet and confer with the Governor, Attorney General, Supreme Court and Legislature.

DELTA THETA PHI

Marshal Senate of Delta Theta Phi was established on the campus of ONU in the year of 1910. Delta Theta Phi now has over forty members, active and alumni, with seventy-one student Senates.

The object of the fraternity are to unite fraternally congenial students of the law, to lead them to high scholarship and legal learning and to advance the interests of every College of Law with which this fraternity shall be associated.

Highlights of the social year were the alumni banquet and party at Homecoming. A fall banquet at the Barr Hotel where Judge A. Tudor spoke on the Common Pleas court in Hardin County, a winter dance, spring dance, and several record parties filled the year's social schedule.

Delta Theta Phi came through scholastically with ten December graduates sharing class honors with 3.49 accumulative point averages. Marshall Senate placed high on the list in the national scholastic competition beaten by only four other senates.

SIGMA DELTA KAPPA

Among their many social activities, the Si-Dekes annually co-sponsor a buffet dinner at Homecoming in honor of all the Law graduates of Northern. In the Winter quarter, the Fraternity staged its annual "Winter Dance."

The traditional initiation banquet was held in the Spring Quarter. Several national officers attended this year.

The Fraternity was founded nationally in 1914, and Omicron Chapter was founded in 1923.

The purpose of Sigma Delta Kappa is to aid its members in maintaining a high scholastic average; to preserve and improve the standards of the legal profession; to foster friendship and comradeship among the members of the organization; and to promote their moral, intellectual and professional well-being and the welfare of the Law College of Ohio Northern University.

This year the Omicron Chapter has been strengthened by a very fine group of thirteen new pledges.

Club is in its first year

The International Club of Ohio Northern University has in its first year endeavored to promote a better understanding of foreign relations on the campus by sponsoring programs dealing with international problems and ideas. Membership is open to persons connected with the University who are desirous and interested in creating world harmony. The present thirty members represent the following countries: Austria, Burma, China, Cyprus, Egypt, England, Germany, India, Iran, Japan, Jordan, Korea, Latvia, Mexico, Nicaragua, Peru, Puerto Rico, Thailand, Turkey, United States and Venezuela. This year's programs included: panel discussions on The World's Great Living Religions and Courtship Around the World; guest speakers whose topics were "The Suez Canal," "India Today," "The Middle East Crisis," and "Soviet Union, Its Strengths and Weaknesses;" a picture-log through Europe; and an International Weekend for students from the colleges in the area. Club members have in turn spoken at Rotary, Kiwanis, Faculty Wives, and various church organizations in the area. The Club also sponsored a Chapel, an assembly program and two campus-wide dances. Through the efforts and enthusiasm evidenced by its individual members, the organization has greatly increased an active interest in international problems, not only within the student body at the University, but also within the communities of the area.

MEMBERS OF EACH DEPARTMENT OF ENGINEERING IN O.S.P.E.

The Student Chapter of the Ohio Society of Professional Engineers embraces all departments of the College of Engineering. The purpose of this organization is to stimulate professional thinking among all engineering students through social contacts, fellowship, and cooperation, to promote interest and understanding, and maintain the ideals of the engineering profession.

Speakers, movies, and discussions in the monthly meetings deal with the professional standards, code of ethics, and the individual's place in the advancement of the profession.

The Chapter takes an active part in the Engineers' Week and is represented in the O.S.P.E. Student Council.

O.N.E.S.A. FOUNDED

IN 1935

The Ohio Northern Engineering Speakers Association was founded on the campus of Ohio Northern during the Spring Quarter of 1935. The organization has as its ideal the improvement of the present and all the succeeding members' forensic ability in extempore.

Dinner meetings are held prior to the meetings of the professional and technical societies of the Engineering College. One prepared speech and two impromptu speeches are delivered at each meeting, after which the members offer constructive criticism to the speakers in an effort to aid them in improving their speaking ability. Through these activities the members strive to gain poise and confidence, thus enabling them to more concisely inform the general public of the Engineering profession.

The Student Section of the American Society of Mechanical Engineers was first organized on the Northern Campus in 1922. After an absence of several years the student section was reactivated during the Spring Quarter of 1956.

The purpose of the student section is to promote an advancement and dissemination of knowledge, of the theory and practice of mechanical engineering and to create a professional awareness and fellowship. The society meets once a month and various forms of technical programs are presented to supplement the material offered in the regular curriculum. These programs consist of guest speakers, movies, and technical reports. In addition to the monthly meetings the members attend meetings of the Toledo section of A.S.M.E., participate in national engineer's week, hold off campus inspection trips and attend the annual regional conference of the A.S.M.E.

The officers for the school year 1956-57 are: Larry Creeger, Chairman; Ned Smalley, Vice-Chairman; Duane Atkinson, Secretary; Don Stevely, Treasurer; Professor Norman F. Jennings, Faculty Advisor.

A.S.C.E. PROVIDES PROFESSIONAL ASSOCIATIONS

The Ohio Northern Student Chapter of the American Society of Civil Engineers provides for its members the opportunity for the beginnings of professional associations.

Various technical topics are presented by guest speakers at the monthly meetings. Activities of the chapter include observance of Engineers' Week, field trips to engineering sites, participation in the North Central Conference of A.S.C.E. Student Chapters at the University of Michigan, and attendance at the A.S.C.E. National Convention in Pittsburgh.

A.I.E.E. IS OLDEST TECHNICAL ENGINEERING SOCIETY ON CAMPUS

The Ohio Northern Student Chapter of the American Institute of Electrical Engineers, which is the oldest technical engineering society on campus, supplements the regular class and laboratory work and provides for its members the opportunity for the beginnings of professional associations.

All electrical engineering students are eligible for membership. Meetings are held monthly in which programs of a technical nature including guest speakers are arranged. Activities of the society include participation in National Engineers' Week, field trips to industries, and an outing in the spring. The Lima Section of A.I.E.E. is the parent group with which close contact is maintained by holding joint meetings from time to time.

Nu Theta Kappa, honorary engineering fraternity, was organized at Ohio Northern in 1915. It is the aim of the fraternity to foster a high standard in academic work in the College in addition to active participation in other College and University activities. The fraternity gives recognition to Engineering students who have excelled in these categories.

Eligible for election to membership is the sophomore with the highest academic standing providing he has an accumulative point average of 3.0. Also eligible are third quarter juniors and all seniors who maintain an accumulative point average of at least 2.7. In order to promote a high standard for scholarship in the freshman class the society each fall, awards an Engineer's Handbook to the returning sophomore with the highest academic standing.

HAM CLUB CONSISTS OF AMATEUR RADIO ENTHUSIASTS

The Ham Club provides practical experience in radio operation to supplement the theory presented in the classroom. The club has its own separate building from which its amateur radio station operates and where all meetings are held. The basic aim of all members is to acquire an amateur radio operators license and put Northern on the amateur radio map. Code practice sessions and informal radio fundamental classes are held regularly to prepare the members for taking the federal exam necessary to obtain a license. Membership is open to all persons interested in ham radio.

INDUSTRIAL ARTS STUDENTS HAVE BEEN ORGANIZED SINCE 1948

The Ohio Northern Industrial Arts Club was organized in 1948 for all students majoring or minoring in the field of Industrial Arts Education and for students who plan to enter Industrial supervision. The objectives set forth in the constitution of the Industrial Arts Club embodies the promotion of wide interests in the profession, to provide an opportunity for the exchange of ideas and opinions and to enable the prospective teacher to become fully acquainted with the field he expects to enter.

Group meetings are held on the second Tuesday of every month of the academic school year. The meetings serve to unite all students of the department for the purpose of planning extra-curricular activities in the several areas of the Industrial Arts field. Following the business session of every meeting, various types of programs are planned to correspond to the interests of the group. Speakers are engaged to head discussions on views of professional and Industrial topics. Appropriate films are shown, and visits to industries make up some of the activities of the club. At the end of the academic school year a trip is taken through one of the large manufacturing concerns where fabrication and mass production processes of the product are observed. Many of the group members are also members of the Mid-Western Ohio Industrial Arts Teachers Association which they also attend once each month during the school year.

Professor Kain and Mr. Chaney act as sponsors and advisors of the club.

NEWMAN CLUB IS UNIVERSITY'S LINK

WITH THE CATHOLIC CHURCH

The Newman Club, one of Northern's oldest campus organizations, was established in 1915. It is the student parish for all Roman Catholic students on a non-Catholic campus. The club provides the opportunity for Catholic students to receive college level instruction in the doctrines of the faith, and to discuss current topics.

This year's discussion program included such topics as "Social Problems," "Labor Relations," and "The Catholics in Professional Life." Father Francis Schweitzer, pastor of Our Lady of Lourdes Church in Ada, Prof. Vincent Immel, and Prof. Mary Hoffman act as moderators of the group.

The Newman Club's social calendar has included outings, bowling parties, and the annual banquet. The club again this year sponsored a retreat for all Catholic students. The retreat, held at the parish church, was the center of the spiritual activities held this year.

RELIGION STUDENTS COMPOSE

UPPER-ROOM FELLOWSHIP

The Upper-room Fellowship consists of those students who are preparing for full-time professional service in the field of religion. The group also is for those students who are preparing for work in religious fields other than the pastorate. The group consists of future missionary workers, pastors, welfare-workers, and other religious professions.

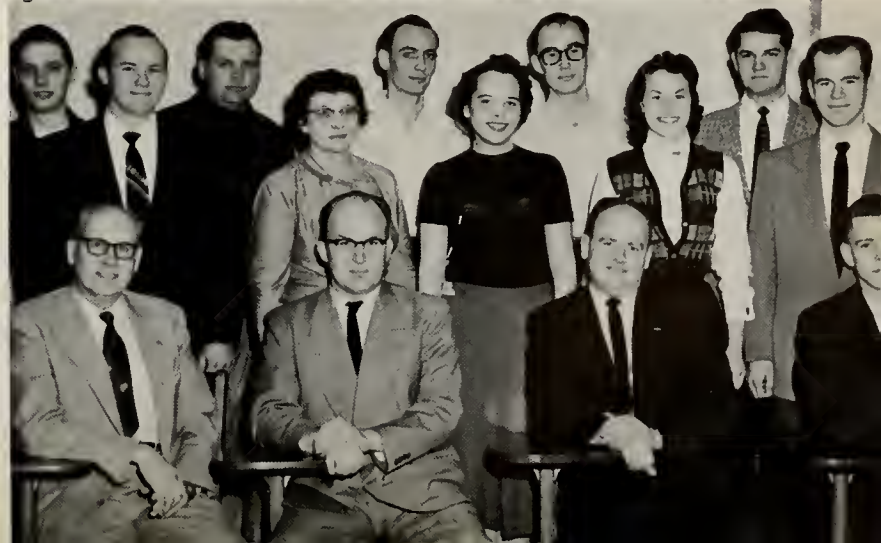

The group meets regularly for devotional services and the discussion of religious and practical problems of the students.

WESLEY FELLOWSHIP IS OPEN TO ALL DENOMINATIONS

The Wesley Fellowship, although affiliated with the Methodist Church, welcomes students of all denominations. The group meets every Wednesday evening to promote fellowship and to increase understanding of Christian ideals.

The goals are to bind Christian young people together as they strive toward the same high ideals.

The theme for the school year was, "What Does God Require of You," which was broken down into three topics: Christian Personality, Christian Ethics, and Christian Service. The group has had panel discussions, and speakers centered around these topics.

The social calendar included a Halloween party, a Christmas party and carolling, square dances, a Valentine party, and a swimming party.

INDEPENDENT MEN COMPLETE FIRST YEAR OF ORGANIZATION

The Association of Independent Men became an active member of campus life at Ohio Northern University during the year of 1956-57.

The association welcomes all men who are not an active member of a social fraternity on this campus.

The A.I.M., as it is labeled, was organized with the intent of offering an opportunity to independent men to take part in, and help in many campus activities. Through more active participation of these men, the association hopes to better school spirit, student morals, and be more assistance in many ways to the University and community.

Intramural sports were entered and two championships won. Members were appointed to Religious Council and Campus Chest drive. Four members were also elected to Student Council.

Scholastic standards are stressed at all times and the University honor roll carried the names of many of the members throughout the year.

The A.I.M. wishes to thank the University and the many other organizations that have accepted and helped the group in its first year. Special thanks is given to advisors; Dr. B. Lepovetsky and Professor A. Salatino.

The association is looking forward to the coming years when membership will grow. The A.I.M. are and always ready and thankful for any work they can do for the University, fellow students, and the community.

1956-57 IS THIRD YEAR OF ORGANIZATION FOR O.N.P.A.

The Ohio Northern University Psychological Association has been very successful in its third year of being organized.

Membership in the association is open to all students of the University who are interested in the pursuit of knowledge in the realm of psychology.

The aim of the organization is to provide a group to which students interested in psychology may refer for the pursuit of extra-curricular activities in the field and secure the cooperation of authorities not connected with Ohio Northern, promote psychological research at the University, and meet as a body for the purpose of correlating their theoretical and objective conclusions.

The meetings this year were highlighted by a visit from Dr. Chester Yanya, of the Lima State Hospital who spoke on the testing procedures of the criminally insane person admitted to the hospital.

INDEPENDENT WOMEN SPONSOR DORM CHRISTMAS PARTY

The Amica social season included a Christmas party in the Girls' Dormitory Lounge with caroling, a gift exchange, and refreshments.

This is the third year for the organization on the Ohio Northern campus. It is based on democratic principles and membership is open to all independent women on the campus.

Peggy Grimm, was elected May Day Queen in the spring of 1956. Barbara Hellwarth served as an attendant on the 1956 Homecoming court representing Amica.

The Amicas have provided good opposition for volleyball and basketball in the athletic tournaments.

THE WOMEN'S SPORTS PROGRAM IS DIRECTED BY THE WOMEN'S ATHLETIC ASSOCIATION

The Women's Athletic Associations main purpose is to encourage leadership, co-operation, competition, and sportsmanship among university women.

Each year the W.A.A. provides for the women students intramural tournaments in volleyball, basketball, badminton, and ping pong. Teams representing classes, sororities and the independents participate.

The winning teams are presented trophies or awards. The members of the association are eligible to earn letters, sweaters, and blankets. The organization sponsors a varsity basketball team, which has proven itself to be very powerful this year, a softball team and a dance review in the spring.

EDUCATION STUDENTS PREPARE FOR TEACHING

THROUGH OHIO STUDENT EDUCATION ASSOCIATION

The Ohio Student Education Association has six main purposes. The first is to develop among young people who are preparing to be teachers an organization which shall be an integral part of state and national education associations. Another is to acquaint teachers in training with the history, ethics, and program of the organized teaching profession. To give them practical experience in working together in a democratic way, and to interest the best young men and women in education as a career are also a part of O.S.E.A. And finally O.S.E.A. encourages careful selection of persons admitted to schools which prepare teachers, and seeks through the dissemination of information and through higher standards of preparation to bring teacher supply and demand into a reasonable balance.

This year's activities have included various teas and special programs with speakers from the teaching profession. The members have attended O.S.E.A. meetings in Bowling Green and an audio-visual aids in Lima. A regional meeting of the surrounding chapters was held in the Spring with Ohio Northern acting as hostess.

THE ASSOCIATION OF WOMEN STUDENTS PROMOTES UNITY

The Association of Women Students is an organization open to every woman attending the University, the purpose of which is to promote the spirit of unity and fellowship among the women of Ohio Northern University. Activities of the group are planned by the legislative board composed of the officers and representatives from each class.

An A.W.S. tea for the Freshman women started the year off. Everyone got acquainted and the purpose of the A.W.S. was explained. The winter quarter included a leadership dinner in honor of members who held offices in campus organizations, and in the spring, a farewell dinner was given in honor of the senior members.

The yearbook staff has worked hard to produce a book which will represent Ohio Northern University. Last year's annual received first rating by the Columbia Scholastic Press, as did the 1954 NORTHERN. It was necessary, this year to enlarge the number of pages in the book to accommodate the growing enrollment and the development of new organizations on campus. A vote of thanks goes to Reverend Wintringham and Coach Clyde Lamb for their photographic work which was very much needed in addition to the professional and student photographers.

Dale Howard on the trombone

This year was the culmination of last year's efforts in establishing the marching band as part of the football tradition at ONU. Displaying an original approach to the conventional half-time show, the 45-piece student band has revived old school songs and made palatable and appropriate familiar ditties. Through the resourceful and well directed energies of Professor A. J. Salatino, the realization of this organization has been brought about. Buffalo, New York, Cincinnati and Cleveland were the extent of the areas encompassed by the band this school year.

MAJORETTES

Barbara Cramer and Nancy Bidwell

Ohio Northern's marching band scored a triumph in their performance November 10 at Buffalo. The Orange and Black musicians were hailed "as the best band to appear on Rotary field in many years" by the Buffalo game announcer. The crowd gave them tumultuous applause.

The composition written by Professor Salatino called "Concerto Duo" was dedicated to the O.N.U. band and debuted at the concert on January 31.

The band tunes up on the sidewalks of Lima.

The Northmen play for campus parties and dances throughout the year besides many off-campus assignments.

NORTHERN'S DANCE BAND THE NORTHMEN ARE FAST BECOMING WELL-KNOWN

The Northmen, organized last year by Professor Salatino, have now become known off-campus and have played for clubs in Lima, Kenton, and surrounding areas.

OUTSTANDING WORK IN THE INSTRUMENTAL FIELDS LEADS TO MEMBERSHIP IN KAPPA KAPPA PSI

Kappa Kappa Psi is a national honorary band fraternity founded at the University of Oklahoma in 1919 and now having chapters throughout the country. Sigma chapter at Ohio Northern was established in 1923 by members of the University band who sought to recognize outstanding members of the instrumental groups on campus, and aimed to promote and improve the quality and performance standards of band music in colleges and universities throughout the United States. The brothers of the local chapter are serving these ends by assisting the band director with administrative details, thus permitting him to concern himself chiefly with musical problems. Northern's Sigma chapter has helped to organize bands to perform for athletic events, has assisted in the planning of field formations, and has helped recruit new members for the band. One of the highlights of the year was the Christmas party for the music department sponsored by the fraternity.

THETA ALPHA PHI IS NATIONAL DRAMATICS FRATERNITY

Theta Alpha Phi, national honorary dramatic fraternity, is the highest honor Ohio Northern has to offer a student interested in dramatics. To be eligible for membership a student must have participated in two major and two minor productions and must be voted upon by the members. Last spring two actives, Sue Dye and B. J. Weintz, five pledges, Martin Fabian, Dave Huntsman, Jim Hoyt, Phil Gray, and Ralph Starling, and Professor and Mrs. Doyle Smith represented the fraternity at the bi-annual convention held at the Hotel Morrison in Chicago. Lectures by members of other chapters, Eddie Bracken, then starring in "Teahouse of the August Moon", and attendance at performances in the city made up the program. The Chicago City College was the host and they presented several excerpts from plays by Tennessee Williams.

The country tavern of Michael Flaherty was quiet that night as Michael (Larry Lape) and his friends attended a wake in a neighboring village until as Michael's daughter Pegeen (Lois Wright) was closing for the night, a tired frightened boy asked for lodging. His name was Christy Mahon (Jack Moore) and his tale was strange. He had killed his father with "a single clout of a loy." Much to Christy's surprise the people of the village thought this a great deed and Christy became the

Christy and Pegeen declare their love for each other.

Pegeen, although promised to Shawn Keogh (Hank Schmitz), fell in love with Christy as did all the other colleens and Widow Quin (Marilyn Young) as they marveled at his glorious story which became more glorious each time he told it. But Christy's father (Ralph Phillips) was not dead and when he showed up at the tavern with his story, Christy lost prestige in everyone's eyes including Pegeen's. Christy and his father left the tavern as great pals and Christy was, at last, a man.

Christy's supposedly slain father comes to the tavern and tells the true story.

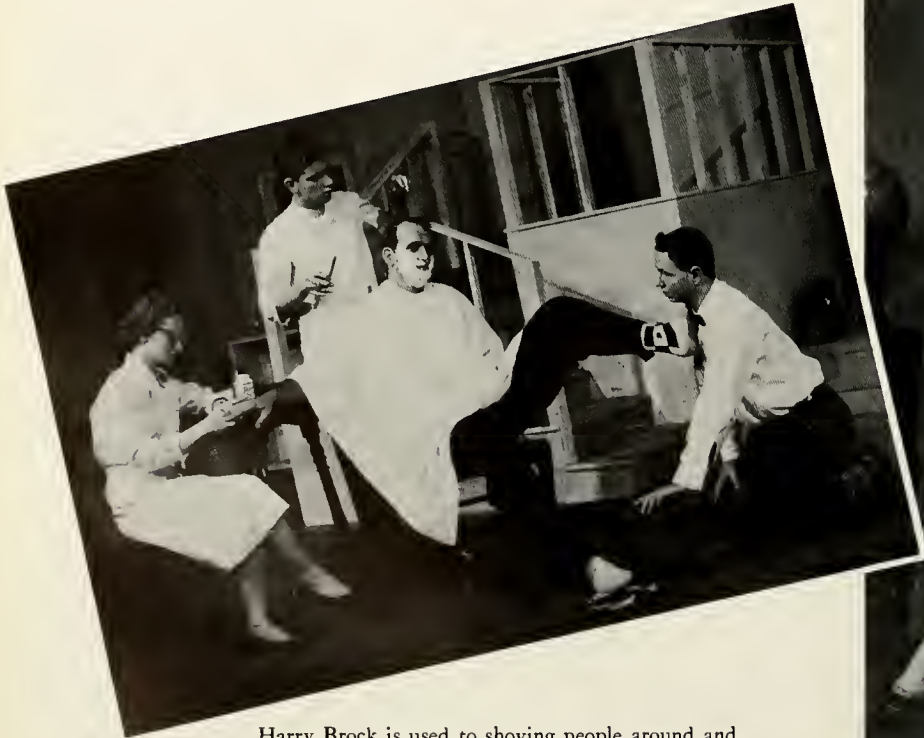

Jack Moore effectively portrayed the hero in this Irish comedy.

Brock's lawyer, Ed Devery, has the near-sighted Billie sign papers which she knows nothing about and cares less.

Harry Brock (Charles Gray), a wealthy junk dealer goes to Washington to see that a bill to legalize some of his shady deals is passed. With him go Billie Dawn (Sally Smith), a not too bright ex-chorus girl and his constantly drunk lawyer, Ed Devery (David Waggoner). When Billie's uncultured actions cause embarrassment, Brock hires an intelligent young newspaper reporter, Paul Verrall (Dick Mohn) to educate her. As her education progresses Billie refuses to sign any documents without first reading them. After Brock uses force to get her to sign some papers Billie revolts and gives Paul information to expose Brock to prove that she was not

THE CRUCIBLE

Betty Parris (Nancy Towne) daughter of the righteous Reverend Samuel Parris (Phillip Gray) was found in a crumpled heap in the woods by her father after Betty and her friends were conjuring spirits in the woods with Tituba (Pat Yehl). Betty wouldn't wake up and all the other children were acting strangely. Parris called in the Reverend John Hale (Dave Waggoner) to see what could be done. When Hale began to look for witchcraft, Abigail (Gloria Pfeiffer) niece of Parris dreamed up a story to explain their dancing in the woods. As she screamed what she saw, Betty awoke and said she, too, had seen the devil and as the words left Abigail's lips, everyone was sure

the children saw the devil.

Soon Abigail and her friends were testifying in court that they had seen people of the town with the devil. Great numbers of people were persecuted, including Elizabeth Proctor (Ruth Washburn) wife of John Proctor (Gordon Sears) with whom Abigail had had an affair. Abigail still believed John loved her but was duty bound to his wife and so she meant to indict Elizabeth and have John to herself. But Abigail found that John really loved Elizabeth when he declared the truth about himself and Abigail in open court. Abigail denied everything and again began her screaming of the devil, so bringing John's only witness, Mary Warren, (Beverly Burke) back to her side. John was declared a collaborator with the devil and sentenced to die. More people were sentenced each day. To release the sentence they had to confess witchcraft and promise to repent. John was almost persuaded to confess but when talking with Elizabeth found he could not lie and so at dawn the sentence was fulfilled.

John and Elizabeth saw each other for the last time as John faced death.

Abigail stuck to her story when John tried to tell her he knew the talk of the devil was fake.

The Appropriations Committee said this represented a \$2,300,000,000 increase over the figure reported a year ago. Part of the increase was caused by new methods of calculating the inventory, it added.

The report, prepared for the committee by the General Services Administration, said the remainder was due to expansion of such programs as atomic energy, defense and reclamation.

The inventory covers land and improvements on it including buildings and other structures and facilities. It does not take into account machinery, furniture and movable items.

PAN-HELLENIC COUNCIL BETTERS RELATIONSHIPS BETWEEN SORORITIES

The Pan-Hellenic Council, composed of the presidents and vice-presidents of the three sororities, serves as a governing body with the ideas of co-ordination and co-operation uppermost. A big job was put on the shoulders of the group this year with the renting of a Tri-Sorority House from the university. Each sorority has a chapter room of its own in this house and the other rooms are for the use of all three groups, but rules and regulations concerning their usage are controlled by the Pan-Hellenic Council and the advisor, the Dean of Women.

The Pan-Hellenic women work with the Inter-Fraternity Council to sponsor Greek Sing, Greek Skits, and the Pushmobile Races.

The first Tri-Sorority Formal of the year, held in December, was opened to all freshmen women. This year the theme was "An Old Fashioned Christmas." The Spring Tri-Sorority Formal is opened only to sorority women and is held out of town.

In January the big job of the group is to supervise the rushing and pledging of all non-sorority women.

Beside their duties to the sororities, the Pan-Hellenic Council attempts to co-operate with college authorities in the effort to maintain high social and scholastic standards throughout the whole college.

Informal chatting helps actives and rushees to get to know each other.

SORORITY RUSHING BEGINS WINTER QUARTER

The delayed rushing period has been found to be the best, as each girl has a chance to make up her own mind and is not rushed into joining one group without knowing any of the others. The sororities, too, have time to make their choice. In order to pledge a girl must have completed one quarter's work and must have a 2. Each sorority has a pledge quota of one-third of the Freshman women who have this average.

Theta's ignored the cold snowy weather outside, and mentally transported their rushees to a "Holiday in Hawaii."

T. K.'s brought Shangralla to the rushes.

The Phi Chi Sorority started the year off at a high point by being presented with the Markle All Greek Scholarship Trophy for the second consecutive year. They also acquired the Pan-Hellenic Rotating Scholarship trophy permanently for remaining on top for more than three consecutive quarters.

During the first quarter they organized a Hobo Day to help finance the decorating and renting of their part in the Tri-Sorority House. The Alumni Dinner at Homecoming was one of the largest and best attended in the past years. Innumerable social dances were held by the group during the year. Some of the themes were as follows: Ivy League, Hardtimes Hop, Autumn Leaves, Gypsy Tearoom, and Lollipop Hop. The big winter formal theme was "Out of this World." The rush party, held in January during rush week, was decorated to suggest a "Monte Carlo Casino." All the rushees were provided with play money and participated in games of chance (roulette, chuck of luck, etc.). Last spring in conjunction with the Campus Chest auction, the sorority cleaned the Alpha Sigma Phi Fraternity House. In turn they "purchased" the Theta Kappa Phi fraternity to clean the rooms in their corridor. In the Intramural sports program sponsored by the W.A.A. they won the volleyball championship.

Peggy Jo Michael brought honors to the Phi Chi's by serving as an attendant for both May Day and Homecoming. Jennifer Chappell was selected as a member of the court in the Miss Northern Contest.

Tau Kappa Kappa was established on the campus in 1900. Since then the chapter has been very active in campus activities. Last May Day brought the float trophy to the trophy collection. In the fall, as their part in the Campus Chest Drive, the T.K's treated the Kappa Psi's to a pizza party.

Queen honors were won by Sally Lamb and Lois Wright as they were chosen to attend the University Queen, "Miss Northern."

The first dance of the year was the "Kickoff Hop," which was followed by the pledge "Domino Dance." Tau Kappa Kappa furnished decorations for the All-Campus Christmas Dance to end a busy fall quarter season.

Winter proved to be just as hectic with the winter formal, "Waltz Time in Vienna," held at the City Hall, Rush parties, and more dances. The Rush Party followed a Chinese theme and acquired eighteen pledges, swelling membership to thirty-eight actives and pledges.

As fall quarter began, Theta Phi Delta plunged into the social whirl by adding to the round of parties and dances honoring the Freshman with the "Skunk Dance." At the "Green Door" dance in November the Theta's opened the "Green Door" at intermission and out came George Repas doing his impersonation of Elvis Presley.

January found the Thetas "Painting the Town Red" in the last dance before rush season began. Hawaii provided the setting for the elaborate rush party "Hawaiian Holiday." Next came Theta's "Stairway to the Stars" winter formal.

The pledges entertained the actives at the pledge dance in March and the season ended with the annual hayride and weiner roast in May.

The Theta's offered their services, at the annual campus chest auction, by serving the evening meal to the highest fraternity bidder.

The trophy case additions were May Day and Homecoming pushmobile and Greek Sing—1956.

Theta Phi Delta had its share of queens as Anne Larocco reigned as 1956 Homecoming Queen, Barb Hellwarth was Homecoming Queen attendant, Sweetheart of Theta Kappa Phi and Queen of the I.F.C. Ball. Peg Snyder was elected Sweetheart of Sigma Phi Epsilon. Steve Allen chose Nancy Towne "Miss Northern," and Lyn Fisher, attendant to the University Queen. Miss Lee Lewis and Miss Carol Berger were Junior and Freshman attendants respectively to the 1956 May Day Queen.

Theta Phi Delta was founded at ONU in 1909 and although the sorority is still local, hopes of national affiliation in the near future are high.

INTRAFRATERNITY COUNCIL

The Intrafraternity-Council, composed of one member from each of the campus' eight fraternities, is one of O.N.U.'s chief governing bodies. The main purpose of the Council is to create a closer bond of brotherhood among its members and to co-ordinate Fraternity activities on Northern's campus.

The Council formulates and enforces rules concerning rushing and pledging activities, enforces University regulations regarding fraternities, and settles any disputes which may arise among its members. It also publishes an annual Fraternity Manual, which is a great aid to freshmen by acquainting them with the Greek letter system and presenting a brief sketch of each fraternity.

One of the outstanding social events of the year, the I.F.C. Ball, is sponsored by the organization. The Council, in conjunction with the Pan-Hellenic Council, also sponsors the popular Greek Sing and Greek Skit Night.

The effectiveness of the workings of the I.F.C. is evidenced by the exceptional relations and co-operation which exists between its members.

The Alumni were honored during Homecoming with a banquet at the chapter house. The "Hawaiian Beach Party" sponsored by the Pledges during the I.F.C. Weekend will long be remembered. On Mother's Day both parents were honored at the Parents Day Banquet and completing the social calendar for the year was a spring dance held in Lima.

Alpha Sigma Phi Fraternity was founded at Yale University on December 6, 1845, and is a charter member of the National Inter-Fraternity Council. On this campus the Alpha Sigs have dual distinction of being the second oldest group and the youngest chapter, its predecessor being founded here on March 1, 1910, and the Gamma Alpha Chapter being chartered on January 17, 1942.

The Sigs have been active during the past year in practically all campus activities, especially journalistic, dramatic, athletic, and musical. In intramurals the brotherhood won the 1956 All-Sports trophy, 16 fraternity and all campus trophies, and are high in the running for the 1957 honors. Members have won positions on Northern's football team (18 of 36), basketball team, both varsity and J-V (6 of 12, and 4 of 8) respectively, baseball team (9 of 20), and the tennis team (4 of 8), besides being active in numerous campus activities and clubs.

In the past year many additions and repairs have been made to the Cardinal and Stone house on Gilbert Street. Among the additions have been a new complete rewiring of the house, new stairways, and new tile floor in the brothers' room.

Sigs also hold class offices (senior class president, junior class vice-president, and sophomore class treasurer.). A Sig, Glenn Smith, was also elected May Day King.

Membership of Alpha Sigma Phi numbers 37 active brothers and 28 pledges, but at the time of publication our membership should number sixty or more. Faculty members of the fraternity include Marvin English, of the Physical Education Department and Tony Salatino of the Music Department, plus Deans Emeritus Raabe and Smullo of the Pharmacy and Engineering Colleges respectively.

Delta Sigma Phi was founded at the City college of New York in 1899, with the Alpha Eta Chapter being installed at Ohio Northern in 1920. Like all other social fraternities, Delta Sigma Phi purposes to give its members that intimate, beneficent fellowship with good men, so necessary to their full development and to supplement their cultural and professional education with training in those qualifications for citizenship and leadership which are not directly part of the university function.

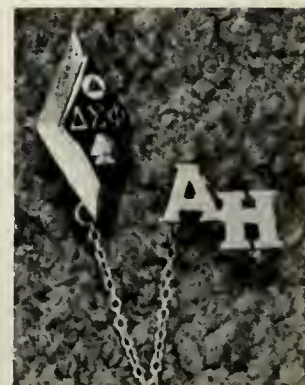

Each year the social calendar is dotted with certain regular events. As a social fraternity, the usual house dances are held as well as the annual Bowery Brawl, Sailor's Ball, Winter and Spring Formals and Alumnae Banquet. The Delta Sigs have been active during the past year in nearly all campus activities and are strong competitors in all campus sports as well as being prominent in campus clubs and organizations.

In February, membership in Delta Sigma Phi numbered 32 active brothers and 13 pledges. Faculty members include Dean Lawrence Archer of the College of Engineering, and Doctor Karl Roider, and Doctor Robert Hilliard of the College of Liberal Arts.

Kappa Psi Pharmaceutical Fraternity, the nation's oldest professional pharmacy fraternity, entered its 37th year of activity on Northern's campus this past school year. Although it is basically a professional fraternity, the Kappa Psi's manage to keep their social calendar at an enjoyable level. The social segment of the year began with a combined Pig Roast and Apache Dance, held in conjunction with the Sigma Pi's, at which everyone came attired in their best French regalia. The Christmas Dance, sponsored by the Junior class of the fraternity, found the group and their guests amidst festive holiday decor, highlighted by the traditional Christmas tree. In February, in honor of St. Valentine and all Kappa Psi Sweethearts, the pledge class sponsored the annual Sweetheart Dance. Just to keep things socially active, another dance was given early in Spring Quarter. The highlight of the social season, however is the annual Kappa Psi Spring Formal held at Beattly's Hotel at Indian Lake.

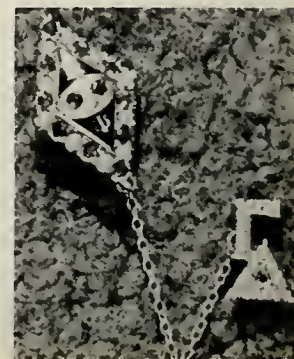

On the service side, Kappa Psi topped the list of fraternity blood donors by making a sizeable donation to the Ada blood bank. Last spring, Gamma Delta Chapter also initiated the Senior Pharmacy Award, given each year to the senior pharomic who shows the most outstanding achievement in leadership, character, scholarship, and citizenship. The honor last year was awarded to Thomas W. Young.

The biggest social event of the Sig Pi year is the annual Orchid Ball held each Spring. This dance highlights an always successful social year for Sigma Pi on Northern's campus. In February the fraternity's roster included ten actives and six pledges.

Sigma Pi fraternity has its modest beginning at a modest institution. It came into existence through the spontaneous desire of a few kindred souls to give expression to a genuine spirit of true fraternalism. That beginning was on the campus of Vincennes University at Vincennes, Indiana, on February 26, 1897. Since then Sigma Pi has grown into one of the larger national fraternities.

Zeta chapter was founded at Ohio Northern University on June 1, 1912, and since has continued an active existence here at Northern. Zeta has always participated in every form of scholastic, social, and athletic activity.

Nationally Sigma Phi Epsilon is the second largest social fraternity chapter-wise, with 142 chapters and over 49,000 alumni and active members. The Sig Eps are the largest nationally and the oldest continually active fraternity on this campus.

Ohio Alpha has a well-rounded social calendar, the highlights being the Winter and Spring formals, the Daisy Mae Dance, the Pledge Bacchanalia, and many sweater dances. The Sig Eps are always well represented in the intramural athletics and very active in student activities.

Sigma Phi Epsilon was founded at the University of Richmond on November 1, 1901. Ohio Alpha Chapter at Ohio Northern University was founded on February 18, 1905. This chapter house at 821 South Gilbert Street was built in 1916-17 by the brothers themselves. It was also the first fraternity house built as such in the state of Ohio.

As in previous years, an active social calendar was again evident as witnessed by the attendance at Homecoming, the Pledge Dance, the annual Turtle Hop, the Spring Formal, and numerous house dances.

Zeta Chapter of Theta Kappa Phi, a national fraternity for Catholic college men, was founded thirty-three years ago on the campus of Ohio Northern, for the purpose of bringing students into brotherly relationship; promote the spirit of good fellowship; encourage the attainment of high scholastic standing; and to offer each and every member a congenial home to spend his four years at college, in a unified Catholic atmosphere, maintaining the Catholic standard of morality while providing all social, educational, and athletic advantages.

Zeta was represented in many campus organizations, its members holding offices in the Newman Club, The Young Republicans' Club, The Pre-Law Club, and the Ohio Northern Psychological Association. Sports ability was not lacking as the football team garnered a first-place tie, and other Zeta teams ranked high in the other sports.

Professor Vincent Immel of the College of Law serves as our Faculty Advisor and the Reverend Francis X. Schweitzer is our Religious Advisor. Zeta has an active membership of forty brothers and five pledges.

Ohio Northern with a new head coach and a dominately green and inexperienced squad played a very rough schedule and finished with Defiance College at the bottom of the Mid-Ohio Conference ladder. The coaching staff is eagerly looking forward to next year and to a team that again will be young and green, but will have gained considerable playing experience.

Tracy Love, Fullback from Geneva, Ohio, played three years on Northern's Varsity Football Squad. An all-around athlete, Tracy has been a spark to his teammates.

Jack Weikert, from Tipp City, Ohio, played End on the '56 squad. Jack did a terrific job against many obstacles.

John Gourley, Tackle from Bridgeport, Connecticut, also served faithfully on Northern's Varsity Squad for four years. John's size and ability made him a real threat to opponents.

Quarterback Larry Michael wound up his four years on the Varsity Squad by doing an admirable job. Larry's hometown is Beaverdam, Ohio.

These men and the rest of the team are to be commended for their wonderful spirit and love for the game of football which never died in games played against tremendous odds.

1956 FOOTBALL SEASON

Under the guidance of John Nettleton, Ohio Northern Polar Bears opened the 1956 season at Otterbein. The team, comprised largely of freshmen, failed to score in the opener. The defensive unit fared little better as the Otters rolled up 34 points in the first half. During the third quarter the offensive team worked more effectively, and prevented the Otters from scoring but the host team bounced back for 13 points in the final stanza to hand the Bears a 47-0 loss.

The second game of the year saw Northern lose to a strong Findlay College team 59-0. The Polar Bears showed moments of decided improvement over the first game but failed to put together a sustained drive.

Northern played host to Bluffton the first home game of the season. The first three periods were repetitions of the first two games—Northern looking very good in spots, but inconsistent. Late in the fourth quarter Larry Frankenfeld took the ball at Bluffton's 48-yard line and went all the way for Northern's first score of the year. With seconds left in the game, Don Birkmeier, who was moved from tackle to fullback only that week, went over from the 2-yard line for the second Northern score of the game. A Michael's to Deckrosh pass play that covered 50 yards set up Northern's second touchdown. In the final score, however, Bluffton was victorious 52-13.

The Ashland Eagles provided the opposition for this year's homecoming. The Polar Bears scored mid-way in the first

1956 FOOTBALL SEASON

period to take a 6-0 lead which they maintained throughout the first half. The Eagles took over in the third period with four touchdowns, one on a 75 yard punt return. Ashland scored twice in the fourth quarter and Northern scored once. The final tally—Ashland 39, O.N.U. 13.

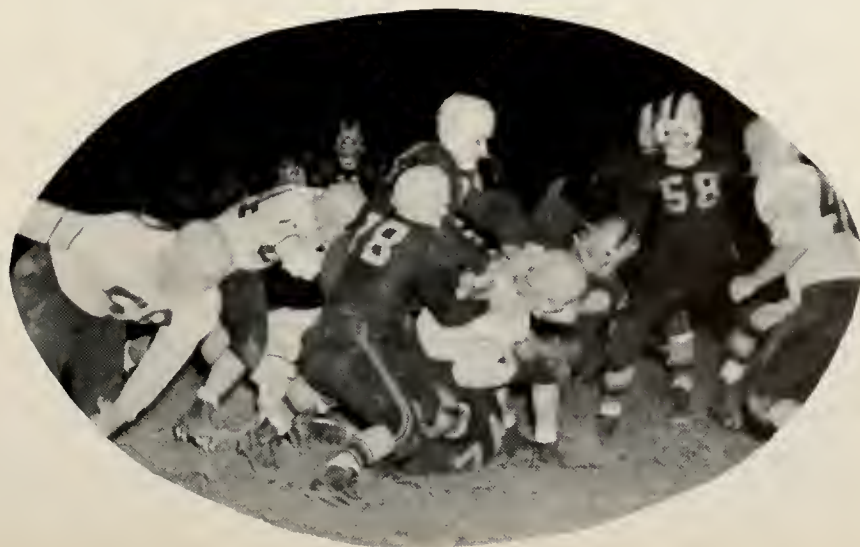

The Defiance game followed with Northern's defensive unit looking good the entire game. Offensively the Bears were stopped until the fourth quarter when Jim Deem tallied Northern's only score of the game. The lone O.N.U. touchdown of the game was enough to give the Bears a tie, however, as Defiance was held to 7 points.

After an encouraging showing against Defiance, Northern got off to a late start against Wilmington. The first quarter score was 21-0 but Northern stayed in to out-play the Quakers in the last three periods. The final score—Wilmington 28, O.N.U. 12.

The Big Reds of Denison handed Northern their worst defeat of the season in the last home game. The 73-0 loss tells nothing of the fine spirit of the Polar Bears who were beaten by a very good Denison team.

For the final outing of the year the Polar Bears journeyed to Buffalo, N. Y. The out-of-state competition proved to be nearly as hard on Northern as Denison had been. The outcome—Buffalo 72, O.N.U. 0.

The Polar Bear's record for the season was none won, 6 lost, and 1 tied.

BASKETBALL 1956—1957

VOTE OF THANKS GOES TO COACH ENGLISH

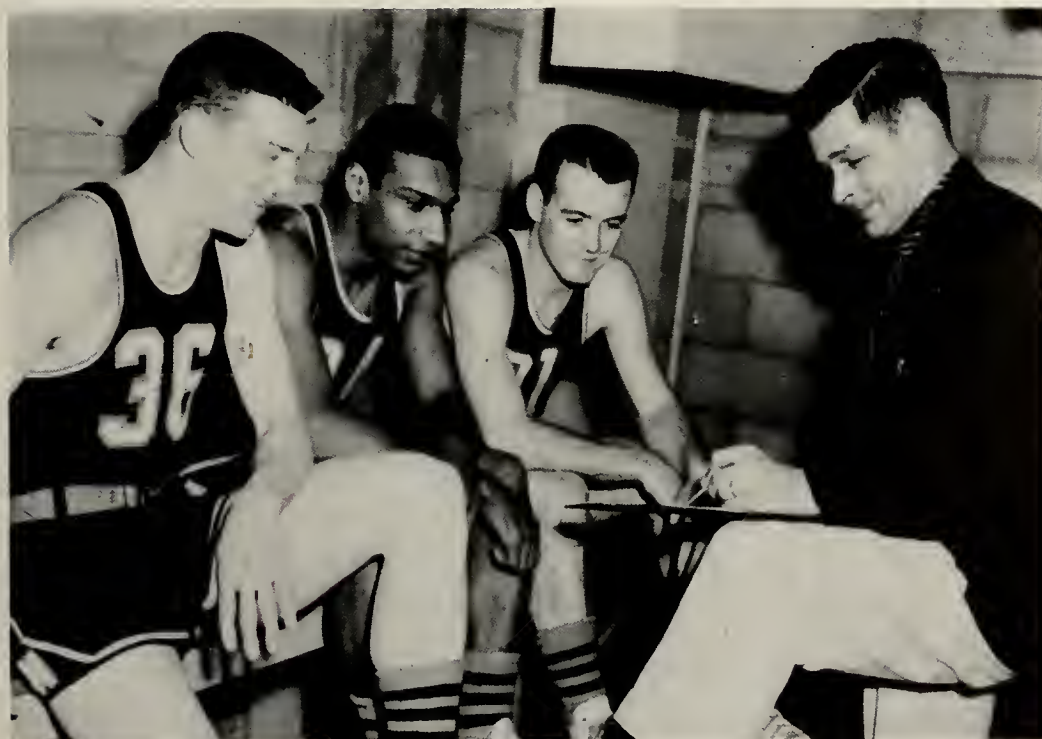

"Marv" English, varsity basketball coach at Northern for the past eight years, has again given the University a winning team. Himself a graduate of Northern, Class of '41, Marv has been in the habit of turning out winners since he returned here after completing graduate work at Columbia. While a student he lettered in football and baseball and earned a freshman award in basketball.

This year's team, in particular has been a credit to the coaching ability of Coach English. Molding a short and relatively inexperienced group into a winning basketball team, was a task that required fortitude and an intricate knowledge of the game. Thanks for another winner, Marv.

SCHOOL SPIRIT UPPED AS TEAM CAME OUT ON TOP IN CLOSE ONES

Fourteen games out of the twenty played were decided by less than seven points. The fans came through in the close ones almost as much as the team did. Attendance at the games grew steadily throughout the season and with the aid of the University band, Northern's cheering section was the best the University has had in many years. Fans follow a winning team and a team wins when the whole school is behind it.

The game was a close one—Ohio Northern vs. Wilmington.

SENIORS WILL BE MISSED

This year's senior class though small in number represents a big loss to the basketball team.

Jim Miller, a four letter man in basketball was this year voted by his team mates the most valuable player and honorary captain. He is the only man ever to receive both these awards in one year. Jim finished his collegiate career with his best scoring season, 227 points.

Tracy Love earned four varsity letters in basketball. He has been since his first season in 1953 one of Northern's leading scorers and finest rebounders. Tracy missed the coveted 1000 point club by only 15 points, this was his first season of less than 250 points.

Bob Raebel, like his fellow graduates,

The team came through with a basket in a crucial moment and the bench squad joined in with victorious yells.

has earned four letters in basketball. As a freshman, Bob was the team's leading rebounder and has been consistent at the job in his last three years. His average of .707 for shots from the floor is the years best in collegiate ball, so far as school officials are able to ascertain.

BASKETBALL

1957

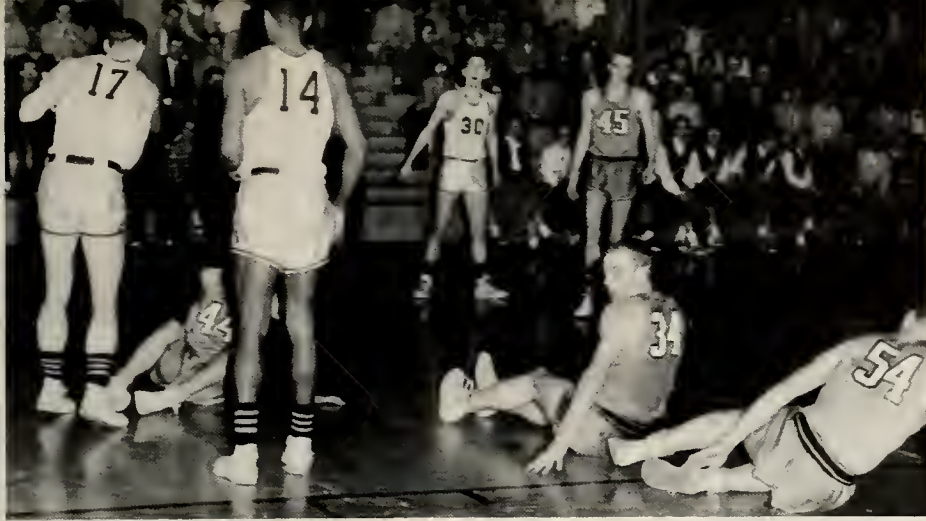

A familiar sight to all basketball fans is the last minute instruction huddle.

SEASON SUCCESSFUL

Under Coach Marv English Ohio Northern's 1956-57 varsity basketball team played its sixth consecutive successful campaign. This season's final whistle found the Polar Bears on the winning side of the ledger, with a 12-8 win-loss record for all games played and a 7-5 record in the Mid-Ohio League. This league record was sufficient to gain a fourth place standing for the O.N.U. quintet. Since only five lettermen returned from last year's first twelve players, depth was a constant problem. The team's tallest starter was a scant six foot one inch but the deficiency in height was more than made up for by the speed and aggressive attitude of every man on the squad.

It was not until mid-season that the team really began to play their best. The first half season ended with the Polar Bears just even, with five wins and five losses. The loss column included a 69-63 defeat at the hands of Findlay College, Northern's traditional rival. Once past the half way mark the team began to show the results of long practice and skillful coaching. Winning six of their next eight games, the team treated its followers to a renewal of Findlay's earlier

decision. Coach English feels that in defeating Findlay 82-77 the team put forth its finest effort of the season. The victory was of particular significance to the old timers at Northern; it was the first O.N.U. win over Findlay since 1948, a period that saw the two teams clash sixteen times. After downing Findlay the Northern men came back three days later to defeat Bluffton 79-78 in the most exciting game witnessed at Taft Gym in recent years.

The accomplishments of this year's team was largely the results of teamwork but there were individual stars. Freshman Jim Ricketts was the real sparkplug of the team. He lead the scoring with a season total of 343 points and played all but a few minutes of each game. Ricketts was ably assisted on the fast break by Bob Raebel. Raebel led all college basketball players by hitting 70% of all his shots taken from the floor. Tracy Love was the team's "steady man" and the most successful rebounder of the squad. Jim Miller and Donn Wilshaw, rounding out the starting five, played the aggressive style ball necessary to make a winning team.

BASEBALL

Team and Coach watch a crucial game.

Led by the hitting of shortstop Jimmy Miller (.333 and 11 runs), catcher Carl Fulmer (.315), center fielder Jimmy Stahl (.307), and third baseman Dick Baier (two home runs, 11 runs, and 13 RBI's) and the hurling of Stan Buehrer (1-0), Bob Messmore (1-0), Don O'Black (2-1), and Larry Frankenfeld (2-2), Marv English's diamond crew compiled six victories in 11 starts to finish third in the seven team Mid-Ohio League.

Northern opened its '56 campaign with a nine inning 10-10 deadlock at Bluffton on April 17 in perfect Polar Bear weather of sleet, snow, and temperatures in the low 30's. After splitting a twin bill with Cedarville the following week, the Bears played off the tie with Bluffton and came out on the long end of a 6-5 score.

Findlay College handed the Bruins their second loss of the season. The Oilers came from behind with a seven run seventh inning to win 10-7. Defiance and Ashland fell victim to the Englishmen in successive games, 13-9 and 5-1 before Bluffton handed Northern their third set back.

After breaking even with Wilmington in a doubleheader, dropping the opener 13-5 and capturing the night cap 12-4, and downing Defiance 6-5, the Bears closed out the slate with a 7-1 defeat at the hands of Findlay giving the Oilers the MOL crown.

Baseball season started early in the spring, so early that winter hadn't left yet.

GOLF

Captain and Coach Don Shively with the 1955 Golf trophy.

The 1956 Ohio Northern University golf team experienced a lean year on the links as they failed to win a match and also surrendered their Mid-Ohio league championship, which Northern golf teams had won for six consecutive years prior to this. Bad weather hampered the par-busters considerably. One bright spot on the Polar Bear record, however, was the fine shot making of player-coach Don Shively and the entry of the golf squad in the Ohio-Intercollegiate golf tournament in Columbus.

TENNIS

Tennis team and trophy—Don Funk, Merrill Castle, Maurice Pfeifer, Donn Wilshaw, and Dave Kastens.

Other members of O.N.U.'s 1956 Varsity Tennis Team were Dave Kastens, Merrill Castle, Don Funk and Tracy Love.

Northern ran through their schedule with no trouble until they were upset by an exceptional Wilmington team 5-2, this being their only loss of the season.

The team was even more impressive during the championship match by racking up twice as many points as their opponents.

Maurice went through the entire season with only one loss in singles and was a strong competitor in doubles.

He sparked the team with his outstanding skill and agility on the courts and made a valuable contribution to Northern's standings as Mid-Ohio League Champions.

WOMEN'S VARSITY BASKETBALL

After a year's absence from the courts the Girls' Varsity Basketball Team returned to action. The girls do not have an organized league, but play on a social basis. It has been found that the competition among the girls is strong and the spirit and desire to win is high. Six games were played this year with the Northern team coming out on the long end all 6 times.

SEASON'S OPENER WITH DEFIANCE PROVED TO BE CLOSEST GAME OF YEAR

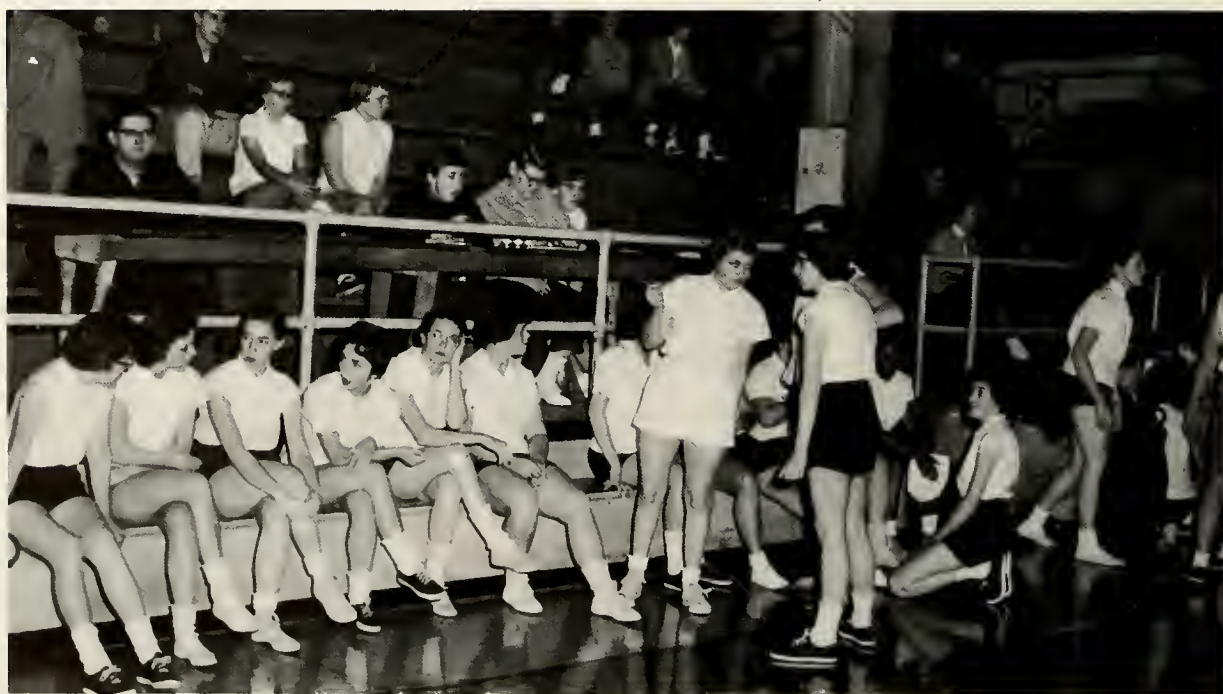

The season was opened with Defiance College in Taft Gym. Northern took an early lead and kept it throughout the game. Jeanne "Lefty" DesCombes sunk 30 points for Northern while Jean Blackstone and Joan Ruggles put up 12 points each. Next Northern moved to Bluffton where once again they were victorious. "Lefty" once again turned in the highest number of points with 26 points to her credit. Blackstone and Ruggles turned in 15 and 11 points respectfully. Marseilles Grange came to Taft Gym and left with a 66 to 21 defeat. "Lefty" was still high scorer with 28 points to her credit. Blackstone put through 16 points and Barbara Herr racked up 12. Little did the team realize that this was "Lefty's" last game as she broke her ankle, putting her out for the season. The Northern girls journeyed to Defiance to play a hard fought, close game. This game was nip and tuck the whole way with Northern managing to stay a little ahead all the time. Joan Ruggles emerged high scorer this time with 24 points. Barbara Herr turned in 13 points.

Northern now returned to Ada to face the unbeaten Roundhead Grange and with another first string player Jean Blackstone out of action. Northern took an early lead and kept adding on to it throughout the game. Barbara Herr kept the backboards hot by dumping in 45 points. Sharon Ansley kept the backboards just as hot by hitting for 49 of her team's 56 points. Ruggles turned in the next high score with 27 points to her credit.

Northern's final game was played against Bluffton in Taft Gym. At the beginning of this game the Northern girls were behind for the first time all season. They then came from behind and gave Bluffton a 59 to 34 defeat. Barbara Herr once again was high scorer with 31 points. Joan Ruggles came next with 22 points.

In the final totals for the season Joan Ruggles came out on top with 106 points. Joan played almost full time in every game. Next came Barbara Herr with 103 points. She played in five games. Percentage wise Jeanne DesCombes turned in 84 points in three games. Jean Blackstone made 57 points in five games, seeing limited action in the final game.

The bench squad talks about the game during time out—Kay Bowers, Sharon Stahl, Dottie Pond, B. J. Weintz, Barb Herr, Mary Snyder, Gayle Inskeep, Carol Cordner, Anne Larocco, Jean Blackstone, Shirley Kuaile, and Defiance team member.

WOMEN'S TEAM ENDS SEASON UNDEFEATED

The girls played hard all season and their work was rewarded with an undefeated season. In all of these games the scores ran unusually high for girls basketball. In all games but one the final score was at least ten points higher than the opposition.

Not only were the forwards instrumental in winning these games but a very good game was played by the guards getting rebounds, and working from a good zone defense keeping the opposing team away from the basket and forcing them into using long shots which did not pay off.

SOFTBALL

The coming of spring brings the outdoor sports of tennis and softball. The 1956 softball team played Bowling Green and Bluffton and although they lost both games, valuable experience was gained by the team members.

UNDERCLASSMEN

President Dale Ault suggests a party to Bob Chalmers, secretary; Bob Koons, treasurer; and Don Birkmeier, vice president.

SOPHOMORES SEND "CARE" PACKAGE TO HUNGARY

The sophomores plunged whole-heartedly into class projects by sending a "care package" to Hungary. They also held a very successful dance for the members of the class and their dates.

FRESHMEN LOSE TO SOPHOMORES IN ANNUAL FLAGPOLE RUSH

Being defeated in the traditional Homecoming Flag Pole Rush, the Freshman Class remained inactive and unorganized during the first half of the school year due to many annoying and uncontrollable obstacles. However, as the second half of the year began, organization of the largest Freshman Class within the past few years was achieved by the appointment of a representative class council and with the election of Professor Paul Moody as class advisor. The class then immediately set to work planning a campus-wide Spring Ball at which a prince and princess were uniquely chosen, from those attending, to reign over the Ball. During the Spring quarter, the class sponsored a service project for the university for the purpose of creating better relationships among the students, faculty and administration.

Working with the administration, the class was able to initiate the drawing up of a class constitution. Although not many class activities were held, a new precedent was established in class unity for future classes to develop more fully.

**Ever been
snowbound by
yearbook problems?**

The Keller yearbook team will dig you out fast.

*Keller's experienced art department is always
ready with apt solutions to yearbook problems.*

*Another big reason why so many customers come
back year after year—and why they seem to get
into the habit of winning top national awards.*
